Organisations >

 **Import Organisations**

The following errors were found with the organisations being imported

- Some column headings do not match the required format.
 - Column: caretype
 - Column: latitude2
 - Column: longitude2
 - Column: organisationtype
 - Column: schoolselector

Correct the errors and attempt to [import the new file](#) or [cancel](#) this import.

To

Jimmy Donald

Start your reply all with:

Sure, that works for me.

Sure, no problem.

Yes, I can do that.

Feedback

Actually, can we do it anytime between 9:30am and 1pm on Monday. I have another piece of work I need to keep working on.
